

Boltmasters

For all your Fasteners

"Yes we are open in Melbourne"

"WE ARE HERE TO HELP KEEP VICTORIA'S TRADE AND ESSENTIAL SERVICES RUNNING"

"HELP US HELP YOU"

Boltmasters Melbourne must abide by the Victorian Governments stage 4 restrictions and our branch will be open to trade and essential service customers only.

A contactless collection counter has been set up to the side of our showroom.

You can place an order by calling the number to the right or emailing as the most effective channel of communication through the current restrictions.

Please note you must not enter the showroom. We sincerely apologise for the inconvenience.
